100% of Customers Fully Recommend ALOM

“ALOM’s commitment to customer satisfaction through prompt responses as well as compliance to their quality management systems provide evidence of their value as a supplier for 23andMe.”

ELI FRY
Vice President of Operations

“As Face Reality grew, one of our challenges was finding a supply chain partner who could grow with us. What made ALOM stand out is their capability to scale. ALOM’s been able to grow with us and deliver with quality each and every time.

KATE KOLLERER
Vice President
Operations & Technology

“With ALOM’s certified prescription medical expertise, it allows us to trust that we have a partner that can execute. We know that we’ll have product available at the right time that we can produce and ship to the right locations.”

NEIL SAVEDGE
Director of Global Supply
Chain and Fulfillment

Trusted Data Insights for Scalable Growth

TELENAV[®]

“ALOM has an excellent portal and database to see in real-time how we’re doing with inventory, with production, and with shipment status. This has helped us tremendously, communicating internally with our stakeholders and externally with our customers whenever questions come up.”

DAISY CAO
Business Operations Manager

“The ALOM team have been great partners in successfully implementing the OpenXC Shop and establishing a great platform for managing our hardware inventory.”

SUDIPTO AICH
Director, Ford Research

TIVIC

“Adding the expertise and technology stack of ALOM empowers us to unify sales channels and optimize fulfillment and shipping so we can focus on scalable growth and customer needs. We have reduced our overall final assembly production costs by 40% per unit.”

RYAN SABIA
Chief Operations Officer
